Divine ideas is God knowing himself as participable as such and such creature, yet those ideas are not any actual creature but God's simple knowledge of himself and he creates according to those ideas

Filioque roots union in reciprocal personal love
immaculate conception of Mary roots goodness of creation
in genesis and reflects in the created world the "immaculate uncreated conception" of the Holy Spirit.
as the perfect immaculate mirror of God through her fiat she reflects the filioque "dynamic"
since her personal love is united with the personal love of God bringing about the incarnation
